

PRODUCT SUMMARY

The FoxFury Taker B series ballistic shield lights provide military, corrections, and law enforcement officers with premium, high performing shield light options. B series shield lights provide panoramic lighting, which is more effective for assessing situations and will help keep you safer.

The Taker R series provides an effective non-lethal crowd control solution which can be installed on Riot and Capture Shields. FoxFury's Taker series shield lights are trusted by Law Enforcement and integrated by the top shield manufacturers around the world.

FEATURES

- Retrofits most ballistic shields (B10, B30, B50, B52)
